

PURPLE STRANGERS a tribute to DEEP PURPLE

Deep Purple and Led Zeppelin put the HARD in 'Hard Rock' with hits like Black Night, Child In Time and Smoke On The Water, Woman From Tokyo and Fireball dominated the hitlists for years. This magical formation consisted of Blackmore, Gillan and Glover. Then came MARK II with members Lord and Paice who helped generate hits like Highway Star, Perfect Strangers and Speed King.

Enter MARKIII with David Coverdale and Glenn Hughes the newbloods instrumental in making albumclassics like Burn, Stormbringer, Mistreated and You Keep On Movin'.

Purple Strangers combines the best of both worlds. Authentic hits are performed with authentic instruments played with a newfound enthusiasm that captures and amplifies the irresistible atmosphere of the era. Names like Hammond/Leslie en Fender/Marshall are an integral part of the hypnotic sound generated by Purple Strangers. The level of entertainment is high with stunning rock performances, masterfull guitar and keyboard solos, thundering drums and flowing manes!
